U.S. Environmental Protection Agency
invites you to
come and talk
to U.S. EPA representatives
about the
Chemical Recovery Systems Superfund Site
in Elyria, Ohio

during one of two availability sessions to be held on

Thursday, March 20, 2003

1 to 4 PM

6 to 8 PM

at the
Elyria Public Library's
West River Branch
1194 West River Road North
Elyria, Ohio

The EPA project manager and community involvement coordinator would like to talk with anyone interested in expressing concerns regarding the site, the preferable ways of getting information about the site, the Superfund cleanup process and related issues. Your input will be used to develop a community involvement plan for the site cleanup process.

If you have any questions about the availability sessions or about the Chemical Recovery Systems Superfund Site, please contact Zenny Sadlon, Community Involvement Coordinator, EPA at (800) 621-8431, ext. 66682, or (312) 886-6682.
